

## **Kentucky Power Solar RFP Q&A #4**

**2/26/2019**

**Q. Is Kentucky Power still seeking storage options in this RFP? If not, Will Kentucky Power be revising this Section of the RFP to remove the made-in-Kentucky requirements for BESS?**

A. Kentucky Power is no longer seeking a storage option in this RFP. Please only submit proposals for solar energy projects via a Purchase and Sale Agreement (PSA).
